

WEDDING SAMPLE MENU

The Sample Menu shown will give you an idea of the array of fresh foods that come with our packages. You can create your own menu to fit your own tastes and desires. Whatever your catering wishes are we will help to make them come true.

Remember that once you have chosen your menu leave everything else to us and we will take care of it. We know how hectic it is to prepare for your special day and you can rest assured that the catering aspect is in good professional hands and we are committed to making your catering wishes become a reality.
